Additional information

The instructions in this memorandum apply only for cases before the **United States Bankruptcy Court for the Northern District of Illinois (both Eastern and Western Division)**. Please use these addresses exactly as given without the name of any individual (except D. Patrick Mullarkey as specified above); use of names will slow down delivery, not expedite it. Do not serve the United States at other locations--pleadings sent elsewhere are merely forwarded to one of the above addresses; they are not read or processed at the inappropriate addresses.

Specifically, because case authority is delegated from the national offices to the field offices, **do not serve**:

Commissioner of Internal Revenue, Washington, DC
Office of Chief Counsel, Washington, DC
Area Counsel, Small Business/Self-Employed (SB/SE)

Once a taxpayer files a bankruptcy petition, the revenue officer transfers his/her responsibility to the Territory Manager, Insolvency Territory 7. Therefore, **do not serve**:

any revenue officer at any post of duty

Because the Service Centers are merely warehouses for returns except for a few processes not relevant to bankruptcy cases, **do not serve**:

Kansas City Service Center

Contact Information

If you have questions about any of the above service instructions, please call Robert Little, Associate Area Counsel, Small Business/Self-Employed, at 312-886-9225, extension 341, or Mayer Silber, Senior Attorney, at Ext. 344.

If you have questions about specific docketed bankruptcy cases, start with a call to the office of the Territory Manager, Insolvency Territory 7, at (312) 566-3959. Additionally, the Centralized Insolvency Unit in Philadelphia can be reached at 1-800-913-9358. It helps if you have the bankruptcy docket number and for very new cases, the taxpayer identification number (employer identification number or social security number).

We encourage you to attempt to resolve many of your concerns administratively prior to seeking recourse in the courts (which may then be avoided altogether). For example, when the Service prepares a proof of claim and its records indicate an unfiled return, the claim will assert an estimated liability for that return. If the debtor later files the return in a different amount (or even claiming a refund), it is not necessary to object to the claim--merely furnish a signed copy of the late filed return to the case worker who will amend or withdraw the original claim.
